Text following the image: “*WHEREVER HE WENT A NUMBER OF WHITE BIRDS FLEW WITH HIM THE ANCIENT GODS 5 existed, for Manannan cast an enchanted mist over it which rendered it invisible. Sometimes Manannan would entice great kings and heroes to his isle, where death and sorrow were unknown, but after a time spent there, which seemed to the visitors no more than a day or two, they would return to their own people , only to find that their visit to the faery island of youth had extended over months, and sometimes years. Two very magical things Manannan possessed : one was a boat called the Ocean-Sweeper, and whoever used that boat needed neither oar nor sail—they simply wished to beat the place they were bound for, and the Ocean-Sweeper glided swiftly over the sea, and were the waves high as mountains it was not hindered in its progress. The other was a milk-white horse, Enbarr of the Flowing Mane, which could travel over the sea-waves as quickly as it could on land, and never get wet; it could fly through the air, too, more swift!*”

A Message from our Baron and Baroness

Greetings to the populace of Hidden Mountain!

Hope you are all staying warm this winter (or cool depending on what weather we have any given day!). We have a busy two months coming up with plenty of events for your enjoyment. We hope to see you at Nottingham Coill Baronial Birthday and Ymir. Check the kingdom calendar for a complete list of all the events you can attend. In April, Misty Marsh is hosting an event in Bennettsville called Mists of Atlantia: Gawain and the Green Knight.

For Ymir, we need donations for the Hidden Mountain basket to be entered in the travel fund silent auction. It has turned into a baronial pride thing now! Each barony wants to bring in the most money for the travel fund. You can drop off donations at Baronial Commons or get them to us or to Esme. Remember, your donation can be largesse, but it can be a service also. Write out a card with what your donation is so we can combine a list of all the basket has to offer. Any questions, just ask!

The last weekend in March is our Baronial Birthday and Investiture! We hope everyone got their pollings in before the deadline. Time to make your reservations for the event, especially if you want to be onboard for feast. See you there!

*Yours in Service,
Cecilia and Roibeard*

From the Desk of the Seneschal

From the Baronial Minister of the Lists

We had a great showing at Mannanan Mac Lir. There were 3 renewals and one new heavy fighter authorization.

I wanted to thank Brynna of Aelfstanbury for graciously helping me at the table. The fighting wouldn't have run so smoothly without her. Thank you so much.

Tear-Seas Shore Business Meetings – Nov. and Dec. 2019 & Jan. 2020

Minutes of the Canton Meeting for Tear's-Sea Shore on November 17, 2019. (DRAFT)

As reported by Alisoun MacCoul of Elphane

The meeting was called to order shortly after 5 P.M. at the home Geoffrey d'Ayr of Montalban. Among those attending in person in addition to Geoffrey were Alisoun MacCoul of Elphane, Aodh Marland called Adendra. Thylacinus Aquila of Dair Eidan, Diana of Dair Eidand, Yvonne Montclair, Sabrina Rose, Yrsa Sørkvir, Ingvar Erlingsson and Jorunn nic Lochlainn. Also present by teleconference was William Costello.

Approval of Minutes

The August, September and October minutes having been published in *Mayhem*, all three sets of draft minutes were adopted by the members attending without change except to note that the issue of the autocrat for Warriors' Games had been resolved at the September meeting whose minutes reflected that resolution.

Officer Openings and Pollings:

Minister of Lists: This office had been open and advertised for some time. A letter of intent had been received in good time from William Costello. A motion was made, seconded and approved by the members present to nominate William Costello as Minister of the Lists for the Shore.

Other offices: The advertisement for the other open offices had been accidentally omitted from the November *Mayhem* but would appear in the December issue so could be voted on in December if letters of intent were received.

Chatelaine: Jorunn indicated that Beornwyn was working on a letter of intent, but had not yet completed it. She would send it to the seneschale shortly.

Webminister: Seiffred and Jorunn were working on separating the canton website from Jorunn's personal pages. It will be necessary to cancel the old website routing and link the new one to the kingdom address for the Shore. Jorunn indicated that the revised website in Weebly was simple to maintain and that she could teach anyone interested in applying for the Webminister position what they needed to do to maintain it.

Marshal: The seneschal had contacted Getulio via Facebook message about the vote to remove him as canton marshal, but she had had no formal response. The canton really needs a warranted heavy weapons marshal. Several members of the canton are at the

marshal in training stage and should be encouraged to consider taking on the territorial marshal role.

Officers' Reports:

Seneschal: Alisoun reported that there were issues with the branch seneschals' mailing list that were being addressed by kingdom, but there was no timeline for resolving all the problems.

Exchequer: Adendra reported that the quarterly Report was filed on time. As of the meeting there was \$3,802.18 in the checking account. She still must send checks for SCA Insurance certificate for Manannan, and for the site fee for Warriors Games. (Those checks were signed after the meeting adjourned.)

Herald: Thylacinus indicated nothing new to report.

Chatelaine: Jorunn reported that Hospitality Hall continued to be held at her home on Wednesday evenings even though she had stepped down as chatelaine.

Arts & Sciences: Yvonne reported that the Arts & Sciences competitions at Crown Tourney had gone well and that she would be running the competitions at Silver Chalice at the end of the month. She also noted that a new embroidery shop had opened in Summerville called Fire Poppies that carries several different lines of silk floss, etc.

Marshal: Office currently vacant.

Minister of the Lists: The newly appointed MoL, William Costello, indicated that he had nothing to report other than plans to get the required course(s) and other training for formal warranting.

Webminister: Office currently vacant. Seiffred was not present, but Jorunn had given a brief report on the status of the website. (See above.)

Old Business:

Crown Tournament: As autocrat Alisoun thanked the canton and its many members for their help and contributions towards making an extremely successful Crown Tournament happen.

Manannan mac Lir: Adendra noted that the event budget reflects the lower site cost (compared to previous years) in lower gate fees for day-tripping. The budget, which had been previously discussed, was formally moved, seconded and approved unanimously by the members present.

Warriors' Games: William Costello proposed a tentative budget for the free event for formal approval. Acceptance was moved, seconded and approved by a vote of the members present. As William was not physically present, he would have to get the budget signed by Alisoun and Adendra at a future date. Adendra had the check for the site and would drop it off as soon as possible.

New Fall Event/Revival of the Feast of Saint Andrews: Discussion postponed once again until the January meeting.

New Business:

Chatelaine/Signage: Jorunn mentioned the spiffy signage that Cyddlain Downs had gotten done with armory and contact information to be put up at their fighter practices to point folks who might be interested in the direction of their website and Facebook page. She volunteered to get and pay for a similar sign for the Shore to use once formal fighter practices resumed.

Baronial Polling: The request for letters of intent for those wishing to be considered as baron/baroness has gone out. Everyone was reminded to check their membership expiration date and renew if needed. They were also reminded to check that their current address is what is on file with the corporate office so that they would receive the polling when it comes out.

Investiture: A preliminary discussion of investiture and what the canton could contribute until the December meeting when Seiffrid as autocrat could be present.

Silver Chalice: See Geoffrey for registration for the event.

Review of Upcoming Events and Canton Business Meetings:

After a brief review of upcoming events focusing on those which canton members planned to attend, dates and locations for all canton meetings through March, 2020, were confirmed:

December 15 at Ingvar and Yrsa's in North Charleston (also the canton holiday party and potluck feast!)

January 12 at Yvonne's farm (moved from the usual third Sunday because of Twelfth Night in Roanoke, Virginia)

February 9 at Geoffrey's (moved from the usual third Sunday because of Nottingham Coill Baronial Birthday)

March 15 at Ingvar and Yrsa's.

Following this discussion, the proposal to adjourn was moved, seconded and approved by acclamation.

Minutes of the Canton Meeting for Tear's-Sea Shore on December 15, 2019. (DRAFT)

As reported by Alisoun MacCoul of Elphane

Although the primary purpose of the gathering was the canton holiday party, a brief meeting was called to order shortly after 5 P.M. at the home of Ingvar Erlingsson and Yrsa Sørkvir. Among those attending in addition to Ingvar and Yrsa were Alisoun MacCoul of Elphane, Aodh Marland called Adendra. Thylacinus Aquila of Dair Eidan, Diana of Dair Eidand, Getulio d'Amalfi, Anastasia dello Scudo Rosso and Thomas Kennington of Hidden Mountain.

Officers' Reports (Limited to Essential Reports):

Seneschal: Alisoun reported that the first stages of baronial polling information were about to go out to the Mountain web site, in a special electronic issue of Mayhem and to the baronial and canton web pages. There are three candidate pairs, all approved by Their Majesties: Ingvar and Adendra, Patris and Slaine, Robert and Bridget. She also reminded the membership that the barony was approved to use the electronic polling system for the baronial polling, which would require any member without an AEL (Atlantian login for order pollings, signing up for university, etc.) to go online and create one.

Exchequer: Adendra reported that the quarterly Report was filed on time. As of the meeting there was \$3,552.18 in the checking account. That includes the checks for SCA Insurance certificate for Manannan and for the site fee for Warriors' Games.

Chatelaine: No letter of intent had been received from Beornwyn or anyone else. Polling once again postponed to the following meeting.

Marshal: No letter of intent had been received. Polling once again postponed to the following meeting. Alisoun will try to poke the fighters of the barony who are already MITs.

Old Business:

Manannan mac Lir: Adendra led a brief discussion of the things that would be needed for the event and reminded the membership that it was NOT at Givhans Ferry. Alisoun reported that she had confirmed at Yule Toy Tourney that it would definitely be a royal progress event. At the very least the Crown Princess would be attending and the Crown Prince was trying to adjust his schedule to attend as well. (He is the current Manannan champion.) There was also a strong possibility that either the King or the Queen would attend.

Warriors' Games: Adendra had delivered the check to the Town of Harleyville on behalf of the autocrat.

Baronial Investiture: A preliminary discussion of investiture and what the canton could contribute was once again postponed until Seiffred as autocrat could be present.

New Business:

None.

Review of Upcoming Events and Canton Business Meetings:

After a brief review of upcoming events focusing on those which canton members planned to attend, dates and locations for canton meetings were confirmed:

January 12 at Yvonne's farm (moved from the usual third Sunday because of Twelfth Night in Roanoke, Virginia)

February 9 at Geoffrey's (moved from the usual third Sunday because of Nottingham Coill Baronial Birthday)

March 15 at Ingvar and Yrsa's.

April 19 tentatively at Jorunn's assuming she is settled in her new house by then.

Following this discussion, the proposal to adjourn was moved, seconded and approved by acclamation at 5:23 p.m. so the populace could attack the traditional potluck feast.

Minutes of the Canton Meeting for Tear's-Sea Shore on January 12, 2020. (DRAFT)

As reported by Alisoun MacCoul of Elphane

After an interesting discussion of interkingdom anthropology, some of which spilled over into the actual meeting, the meeting began around 5:30 p.m. at the home of Yvonne Montclair and Eleana Goatherder. Among those attending in addition to Yvonne and Eleana were Alisoun MacCoul of Elphane, Aodh Marland called Adendra. Diana of Dair Eidand, Heinrich Wilhelm, Constantia in der lachun, Mikie and Kayden.

Officers' Reports:

Seneschal: Alisoun reported that the quarterly report had gone in on time and been acknowledged by the kingdom seneschal. As part of that report she had requested that the kingdom roster show her cell phone number as AT&T had not been able to make her landline totally reliable since it went down during Dorian.

Herald: Thylacine reported via Adendra that there was nothing new to report.

Exchequer: Adendra reported that the quarterly Report was filed on time. As of the meeting there was \$3,758.18 in the checking account. She is currently working on the Domesday Report.

Arts & Sciences: Yvonne noted that Jorunn would resume Hospitality Hall sessions once her move from the apartment to a house is complete. Sewing sessions at Geoffrey's will resume on January 21. Yvonne, Geoffrey and several others attended the garb workshop in Nottingham Coill on January 11 and enjoyed it very much.

Chatelaine: No letter of intent had been yet been received. Polling once again postponed to the following meeting. Alisoun will once again reach out to those involved.

Minster of the Lists: William Costello was not present. Alisoun will reach out to him after Twelfth Night to check on progress with the warranting effort and enquire if he will be able to MoLIT at Manannan.

Marshal: No letter of intent had been received in response to the advertised position. Heinrich mentioned that he had been thinking of seeing if he could transfer his marshal's warrant from An Tir to Atlantia and while he could not actually fight for a bit might be a good time to do it. Alisoun and several others jumped on this incautious statement and he was immediately adopted for suggestion for warranting as canton marshal. (And he was not even required to leave the room!)

Old Business:

Manannan mac Lir: There will be Largess, Fiber Arts, and Scroll Blank competitions in the Arts, the latter with a Celtic theme. Yvonne will give her basket making class. There will also be a Fiber Solar. Fighting will consist of the annual Broach Tourney as well as regular heavy weapons fighting, a Round Robin Fencing Tourney, and Youth Fighting.

Warriors' Games: No report from William, However, Adendra noted that Dair Eidand will be running the traditional games and, as is now traditional, the event will be free with a potluck feast..

New Business:

Geoffrey announced that he would be serving as autocrat for the barony's Silver Chalice event, that it would be earlier in the year than it was this year and possibly at a site the barony had not previously used. He also announced that he was looking to recruit a new chief cook, preferably someone who had not previously held that role in this barony, or possibly even at all. This triggered a fairly extensive discussion on the availability of support personnel and equipment available in the canton and in the barony.

Review of Upcoming Events and Canton Business Meetings:

After a brief review of upcoming events focusing on those which canton members planned to attend, dates and locations for canton meetings through the first half of the year were confirmed:

February 9 at Geoffrey's (moved from the usual third Sunday because of Nottingham Coill Baronial Birthday)

March 15 at Ingvar and Yrsa's.

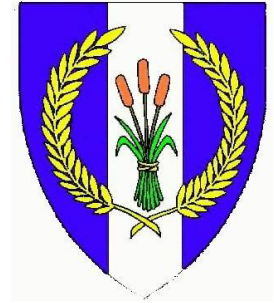

April 19 tentatively at Jorunn's new house.

May 17 at the home of Heinrich and Constantia.

June 21 at Geoffrey's once again.

Following this discussion, the proposal to adjourn was moved, seconded and approved by acclamation.
