As spring approaches, our hopes are renewed. Hopefully we will soon be able to return to in-person activities, and then events. On that note, if you find that you have not been practicing your chosen activities as much as you normally would, now may be a good time to get back to it. Check out your equipment, work on those little projets that you've been putting off, and practice, so you are ready.

Until we return to in-person, we busy ourselves with virtual events. Our thoughts are of Hidden Mountain Baronial Birthday. The fun begins March 24th at Hospitality Hall, as Mistress Jorunn hosts "Ask the Baroness" with Her Excellency. Then a bardic on Friday night the 26th. And then on Saturday, Lady Esme will be hosting a Social, all-day classes, and a Baronial Court. We hope everyone is able to join us in the celebration. We also wish to remind everyone of Atlantian Kingdom Arts and Sciences Festival on the 5th and 6th, Caer Mear Baronial Investiture on the 20th, and Defending the Gate and Baronial Investiture on the 26th and 27th.

Also, with spring approaching, we encourage everyone to get outdoors. Hit the pell, work in the gardens, take a hike, or just sit in the sun.

So, until we can be together again in person, see you on Zoom,

Robert and Bridget Baron and Baroness, Barony of Hidden Mountain

# The-BARONIAL SENESCHAL

Greetings unto the Mountain and its wonderful populace!

I hope everyone had a happy Valentine's. The plague is still with us, and we are still not holding in-person events. Let us give thanks that we are still here and many of our friends and family are as well. I encourage everyone to try out the virtual events, including Hospitality Hall and the Baronial Fireside chat.

It is with a sad heart that I announce that I must step down as your Seneschal. It has been a great honor, but the mundane world takes me away. Fortunately, I do have a deputy ready to take over at the end of March. If you are interested in the position of Baronial Seneschal please let me know, as we will be voting on the position at the March meeting.

The next Baronial Commons will be held virtually on March 14th. Please, I encourage all members of the Barony to attend these meetings and give us your input.

As always, let us keep this medium alive. Please look at the Arts/Sciences and crafts you do and consider doing an article for the Mayhem. Share your

love of the Society and the time you have spent learning and researching things with others. If you have yet to figure out what you want to recreate, take a moment and see if something piques your interest and please share your path of learning with us.

I look forward to seeing everyone again soon, be it at Commons or at the next event, and am forever proud to have served as your Baronial Seneschal.

Baron Ingvar Erlingsson Seneschal, Barony of Hidden Mountain

# BARONIAL EXCHEQUER

As of this date, the Baronial Checking Account contains \$5950.27; the WoW Wall Designated fund contains \$365.57 (included in the Baronial total).

The Baronial Trim is on hand! 316 yards have been sold or are spoken for, leaving 184 on hand. You can order some for \$2.50 per yard, checks made out to "SCA, Inc. – Barony of Hidden Mountain" and sent to me, Robert Himmelsbach, 199 Cabrill Dr., Charleston SC 29414.

The 4th Quarter (Domesday) Exchequer Report has been completed and filed, with no further issues or changes expected.

I am still working on a revision of the Baronial Financial Policy to fit it into the Format required by Corporate; life and other issues happened, taking more time than I expected, but this should be completed by next Baronial Commons and ready to be voted upon for the next year.

My warrant as Exchequer expires as of 3/31/21. I would like, if the Barony is

agreeable, to request another warrant for a two-year term. This would require the vote of the Barony.

Geoffrey d'Ayr of Montalban / Rob Himmelsbach Exchequer, Barony of Hidden Mountain

# The-BARONIAL CHRONICLER

As the natural world warms and wakes here in Hidden Mountain, preparing itself for a new year of activity, this is our signal to lift up our heads after a winter's—or yearlong—quiet of our own.

This year the signs of spring are more welcome than ever, because a change in weather gives us an opportunity for the sort of renewal that only the outdoors can bring us.

Plan and plant a dyestuff garden.
Throw shots at a backyard pell.
Finally build that outdoor bread oven.
Or simply sit on the porch, and make garb in the sunshine.

Then, as your motivation is warmed by the change in season, it becomes the perfect chance to reconnect with your barony.

Please consider contributing an article (by the 25th of the month), to be included in the upcoming newsletter. Share with us what you've been teaching, learning, and doing, and join in a collective celebration of what an SCA springtime can bring.

We look forward to hearing from you.

In service,

Bran Mydwynter Chronicler, Barony of Hidden Mountain

# TREPORT FROM The FEBRUARY 2021 BARONIAL MEETING

14 February, 2021-6:00pm

**THEIR EXCELLENCIES:** Were glad so many could join them for the January court. They don't really don't have a lot going on.

**EXCHEQUER**: As of this date, the Baronial Checking Account contains \$5950.27; the WoW Wall Designated fund contains \$365.57 (included in the Baronial total).

The Baronial Trim is on hand! 316 yards have been sold or are spoken for, leaving 184 on hand. You can order some for \$2.50 per yard, checks made out to "SCA, Inc. – Barony of Hidden Mountain" and sent to me, Robert Himmelsbach, 199 Cabrill Dr., Charleston SC 29414.

The 4th Quarter (Domesday) Exchequer Report has been completed and filed, with no further issues or changes expected. I am still working on a revision of the Baronial Financial Policy to fit it into the format required by Corporate; life and other issues happened, taking more time than I expected, but this should be completed by next Baronial Commons and ready to be voted upon for the next year.

My warrant as Exchequer expires as of 3/31/21. I would like, if the Barony is agreeable, to request another warrant for a two-year term. This would require the vote of the Barony. [Voted on and approved by all members present]

**HERALD**: Good news is that the name and the badge for the Award of the Purple Cloud has gone up to Laurel, and on the current internal letter, after consultation the name ended up as the Ord du Mont Purpure ("Order of the Purple Mountain" in French). Associated with the current badge.

**KNIGHTS MARSHAL**: Not present, nothing to report.

**A&S**: Not present, nothing to report.

**MINISTER OF THE LISTS**: Not present, nothing to report.

MINISTER OF YOUTH: Nothing to report

**CHATELAINE**: For newcomers, with every court there is a virtual watch party. Nice place to learn about court and ask questions.

**WEBMINISTER/MISTRESS**: Need a replacement for the Webminister. (Note: see below, under Seneschal)

**CHRONICLER**: The new version of the newsletter went out (and was confirmed by the archivist). The newsletter has been uploaded to the website.

**SENESCHAL**: The Baronial calendar is also up-to-date on the website. The Baronial feast gear is in Baronial possession again. I put out the book of policy with change recommendations to review; the changes are not significant, and they are in line with the changes that have been sent out to the Seneschals in preparation for Curia. If anybody has comments on these, please send them to me and then we will vote on it in March, then publish a special edition of the Mayhem.

My warrant expires at the end of March, and unfortunately I will not be continuing. Last month Patrick graciously said he will take over if there are no objections. If anyone else would like to be considered, please let me know and we will vote on it during the March Meeting as well. Since I am already doing it have been doing it for quite some time, if nobody objects, I will step up as the Webminister. [Voted on and approved by all members present]

**MISTY MARSH**: Nothing to report

**MOORHAVEN**: Nothing to report

# HELP WANTED

**The Barony is in need of a Rapier Marshal**, but filling that office is obviously less urgent while events and fighter practices are in abeyance.

To learn about requirements of the office or to apply, contact the Seneschal at <a href="mailto:seneschal@hiddenmountain.atlantia.sca.org">seneschal@hiddenmountain.atlantia.sca.org</a>.

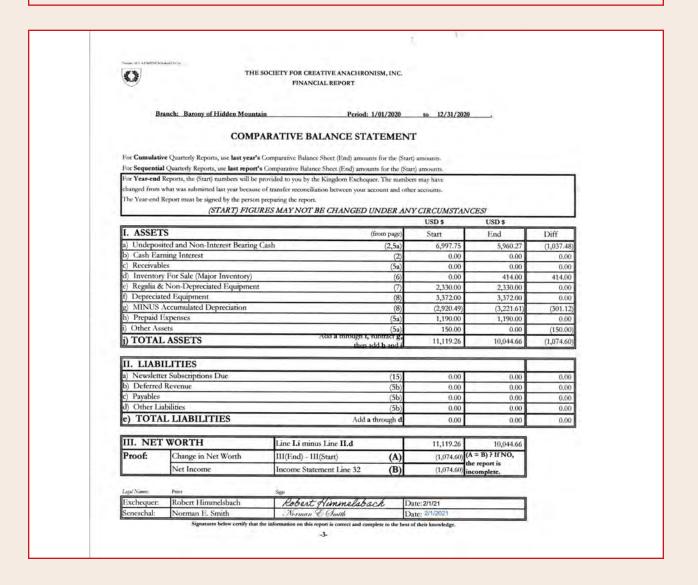

No issues in the Barony currently. •

# C REPORT FROM THE FEBRUARY 2021 SHORE MEETING

The February 2021 Canton meeting was held via Zoom on 21 February, 2021.

Those attending included Alisoun MacCoul of Elphane, Geoffrey d'Ayr of Montalban, Jorunn nic Lochlainn, Yvonne Montclair, Aodh Marland called Adendra, Heinrich Wilhelm, Constantia in der Lachun, Bran Mydwynter, Hrólfr Thorvaldsson, Megara di Alessandra, Seiffrid Wolfhart and Ingvar Erlingsson.

Approval of Minutes: Motions were made, seconded and carried by acclamation to approve the minutes of the meeting of 17 January, 2021.

## ----OFFICERS' REPORTS----

**SENESCHAL**: Alisoun noted that appropriately signed warrant paperwork had been sent to the Kingdom Seneschal and to Morwenna about a week previously, and been acknowledged by Simone. However, the actual warrants had not yet been received. [Note: the email with the warrants from Simone was received on the day after the meeting.] She also gave a brief report on the branch Seneschals' meeting the previous Monday, noting that the major topic of discussion was COVID protocols and hopes that protocols that merged the current phase practices with possibilities for armored practice would be approved by corporate in the near future. Alisoun also briefly discussed the current situation with COVID phases and noted room for optimism since the infection rate in all four counties against which kingdom considered the Shore had dropped significantly in just the last week.

**EXCHEQUER**: Adendra and Alisoun testified that the Domesday report had gone in on time and appeared to be accepted. Adendra reported that the checking account now had \$4,559.50 in the account with all checks cleared. There was a brief discussion of the paperwork required to add Seiffrid to the account and Alisoun noted that there was apparently now a policy from corporate that the expiration date for all signatories had to be at least 90 days from the date of the request to add or change signatories. She asked Ingvar if he planned to renew since he was stepping down from Baronial Seneschal and, if he was, could he do so early as his current expiration date was at the end of April, less than 90 days away. He instantly agreed to do so on the following day. [Upon his verifying this had been done on the following day, the paperwork was immediately sent to the Kingdom Exchequer who informs us that she has forwarded it the corporate office.]

**HERALD**: Adendra reported on behalf of Thylacine that, thanks to COVID, there still had been no activity in the Canton office.

**MARSHAL**: Heinrich asked if anything more recent on proposed fighting protocols during COVID restrictions had been circulated more recent than the one from October since he had not seen one. Several people discussed that, and the mechanisms for circulating information on policies for both the marshals and seneschals. Alisoun and Ingvar agreed that Simone had said appropriate documents would be circulated to the branch Seneschals for circulation to local officers and populace once they were finally approved so everyone would know the policies before they went into effect.

**MINISTER OF THE LISTS**: William could not attend but his report was identical to that since the lockdown: no progress on warrant and no need for MoL since no fighting.

MINISTER OF ARTS AND SCIENCES: Alisoun asked Yvonne about all the virtual A & S activities, including the recent University and the upcoming Kingdom Arts and Sciences. Her wrist was out of the brace so she was able to resume work on the Shore tapestry and also on the last bits of the Shore presentation to the Barony. Alisoun noted that there was some A & S from other members of the Shore as Geoffrey had sewn the Pelican/Laurel cloak for Etain of Sutherland and she herself had made the not-so-silly cap of maintenance for the ceremony which had occurred the day before. Adendra then chimed in that she had made the Pelican cloak for Estienne Le Mons d'Anjou who had been elevated somewhat earlier. Geoffrey added that he had also done the towel for the hand washing for Estienne. Bran asked if these sort of things got reported and Yvonne explained the quarterly report. He followed up by asking if teaching classes counted and there was fairly loud agreement that it did. Bran then explained some of the classes he had been teaching not only for University but also via Zoom to groups in the north of the kingdom. Bran also noted that some of his friends in the north were interested in possibly doing a cross-Barony A & S thing if we were interested and there seemed definitely to be interest. Bran asked if he needed to get a kingdom warrant as Yvonne's deputy. Alisoun explained that the reason that the Shore was making a point to have Constantia warranted was because she would not only be Seiffrid's deputy but also his drop dead successor. The Seneschal and the Exchequer were the only offices that had to be filled continuously and there was some leeway with the Exchequer. However, the Seneschal had to file any required reports for offices that were vacant so kingdom liked to know that the drop dead was on their roster. Yvonne then pointed out that as deputy he did get to write reports. He seemed to like this idea which caused some looks of amazement from some other officers. Alisoun suggested that Bran as Baronial Chronicler should update the relevant regnum listings to show him as deputy MoAS, Seiffrid as Seneschal and Constantia as Deputy Seneschal as the changeover would technically be complete as of 1 March.

**WEBMINISTER**: Seiffrid indicated that nobody has stepped forward to take Webminister over, but it was not urgent as he could continue dealing with the page thanks to the

simplification of the web page that he had already done. Alisoun reminded him that he needed to make the same changes to the regnum on the Shore web page that had just been discussed with Bran and also to add or redirect all the aliases to the new officers.

CHATELAINE: Jorunn reported that Hrólfr had volunteered to do some publicity for the Society and the Canton at a recent Shriners' event and had done a great job. Jorunn had pictures of him in garb from that event and he had signed permission forms so Jorunn would be sending those pictures to Bran for the newsletter. Jorunn said she would also send the same material to Seiffrid for the Canton webpage, commenting that Hrólfr was going to be an important resource for the Shore. Alisoun seconded Jorunn's suggestion that the photos go on the web page, noting that she and Seiffrid had in the past discussed the fact that most of the photographs on the webpage were outdated and rather stale so it would be really nice to have some more current photos.

SENESCHAL OFFICE TRANSITION: Alisoun noted that Constantia had taken the two required Seneschal classes and Seiffrid had retaken them slightly earlier so both of them were good as far as the education requirements were concerned. Constantia said that Morwenna had said she would add her to the mailing list and Facebook page. Alisoun responded that she certainly had added Constantia to the Facebook page for the South Carolina and Georgia seneschals and made a nice welcome message announcing that fact. In that message Morwenna said she was leaving Alisoun in the group until the first quarter report was filed. Alisoun declared that she would help if needed but Seiffrid was doing the first quarter report. She herself had done the first quarter report in 2019 even though she only was Seneschal for a third of the quarter so she felt it was only fair. Alisoun planned on printing out hard copies of the reports she had received from Ingvar when she stepped up as well as most of the materials she had generated over the past two years. She would also provide the digital copies, probably via memory stick rather than by Dropbox. She was leaving it to Seiffrid and Constantia to decide how, what and when to share that material between them. There had been some thought of an short ceremony in court to mark the transition, possibly by some form of Zoom recording. After some discussion it was decided to consult with the Baron and Baroness and see what they wanted to do. However, once all the paperwork is done, the transition will be automatic effective 28 February.

**WARRIORS' GAMES 2021**: Alisoun apologized for not getting the site booked in February as planned but it had been quite a month. She asked Adendra to send her the contact information for the lady with whom she dealt at Harleyville since she had not had any luck in making contact so far.

**MANANNAN MAC LIR 2022**: Jorunn is still planning for the event, but will probably not do Spiking or serious publicity until at least the beginning of May.

# -NEW BUSINESS-----

A call for new business produced no action items except for a request from Alisoun to Seiffrid to announce the outcome of the polling on the date for the March meeting. He announced it would be at 6 p.m. on March 14. Alisoun indicated she might well not be available for that meeting and asked if Seiffrid was good hosting on his Zoom account. He said that henceforth all meetings would be on his Zoom account.

Since there was no further new or old business, there was a call for a motion to adjourn which passed by acclamation and the meeting closed.  $\triangle$
