the BARONIAL EXCHEQUER

As of this date, the baronial checking account contains \$6399.16; the WoW Wall Designated fund contains \$365.57 (included in the baronial total). \$55 was paid to Harleyville American Legion to reserve their hall for October 9, 2021 for this Baronial Commons & workshop.

The baronial trim is on hand! 339 yards have been sold, leaving 162 yards on hand. You can order some for \$2.50 per yard, with checks made out to "SCA, Inc. – Barony of Hidden Mountain" and sent to me, Robert Himmelsbach, 199 Cabrill Dr., Charleston SC 29414.

Fall University in-person portion was cancelled and we received a check from Corporate for \$198.40 for fees and donations made thru SCA-rs, after they took the \$15 and 3% fees. That money goes to Atlantian University, and I have transferred a check for that amount to the Kingdom. I had two requests for refunds, for a total of \$30. I wrote to the Corporate Office about

getting the SCA Insurance refunded and was told they are no longer giving refunds for cancelled events. I have made a \$50 donation to cover the costs of the insurance. I further cancelled payment on the still outstanding \$150 deposit check, which we have subsequently had returned to us unused. Finally, after much alarums and excursions, the \$1,069 in site fee was returned to Lady Esme on Monday 10/4/21. In cash. And overpaid by \$175 once it was counted thrice. The over-payment will be returned to them; the refund itself has been deposited in the Baronial Account.

Silver Chalice has been held, and made \$384 via the SCA-rs system, \$368.64 after various fees, plus \$115 in cash or checks; I had \$25 in refunds requested, giving a total of \$458.64 and we received and deposited the refund of the \$100 deposit, for a total outlay of \$100 for the event.

I have been in contact with the Girls Scouts regarding our rental of Camp Sandy Ridge. We will be holding Hidden Mountain Baronial Birthday there on the last full weekend of April 22 – 24, 2022. I have asked Lady Esme to be Hall Steward and Lady Constantia to be Feast Steward. I will fill other positions as time gets closer, but probably not until after the new year.

The 3rd Quarter Baronial Exchequer Report is being worked on, but with so much happening at the end of the fiscal quarter, it will still take some time to prepare.

the BARONIAL CHRONICLER

This season represents change. The things we've planted, planned, been working towards, been working on, all coming to fruition. Autumn creates change in the world from our weather to our plates.

Change is particularly strong with us down here in South Carolina, where it can be in the 50s one week and in 70s the next. But change has an energy

about it. And if we're canny, we can use that energy to power us through the winter.

What projects and plans are *you* hoping to work on through the winter?

Please consider contributing an article (**by the 25th**) to be included in the upcoming newsletter. Tell us how you've been using the autumn changes to kindle your creativity, focus your research, and spark your inspiration, so we can share it with you, too.

In service,

TOURNEY OF MANANNAN MAC LIR XLI

January 29, 2022

With the cool winds of winter chilling your bones, perhaps you should cast your eyes to the Canton of Tear-Sea's Shore, where the **41st Tournay of Manannan Mac Lir** will happen in the balmy climes of Southern Atlantia. Plenty of fighting will be available with the traditional Brooch of Manannan Tournay, with bragging rights to the oldest continuously-awarded tournay prize up for grabs. And just to make it more challenging, each competitor must come up with a boast about his or her prowess before taking the field, sponsored by Mistress Adendra!

What, that's not enough fighting? Well, how about a great weapons tournay to help satisfy the need! And don't forget our rapier fighters, with their own Brooch Tournay, and a Cut and Thrust Tournay to follow. The youth of Atlantia will be pleased to know that they also are promised a fun tournay from Baron Robert the Banished!

The more artistically inclined will find they will be challenged by a fiber arts competition sponsored by Mistress Alisoun, a largess competition benefiting our Baron and Baroness of Hidden Mountain, and a scroll blank competition sponsored by Master Geoffrey, with sea-related visuals. A fiber solar will be running during the day.

And, of course, it wouldn't be a Manannan without a delicious feast, prepared by the Honorable Lady Constantia in der Lochun. Please contact the Autocrat with any dietary concerns.

30 SECOND ART HISTORY

with Bran Mydwynter

INCUNABULUM: (Latin. *in-kyoo-NAB-yuh-luhm*) Plural "incunabla". In English often "incunable(s)", these are the earliest printed books, usually specified as those from the invention of the printing press in Europe to about 1500.

In terms of art history, incunabula are interesting because printers were still working out how, and to what extent, printed page layouts would reflect those of handwritten manuscripts. By studying incunables, we can track the changes, and see how they adapted.

a report from the
OCTOBER 2021 SHORE MEETING

The May 2021 canton meeting was held via Zoom at 6:15 p.m. on 24th October, 2021.

Those attending included Seiffred Wolfhart, Alisoun MacCoul of Elphane, Geoffrey d'Ayr of Montalban, Detlev, Aodh "Adendra" Marland, Heinrich Wilhelm Von Ansbach, Constantia In Der Lochun, and Aban Ibn Khalid.

OFFICERS' REPORTS

SENESCHAL: Seiffred updated the canton on COVID policy updates handed down by the Kingdom Seneschal. The new guidelines were posted to Facebook and the website, concerning the need to show proof of vaccination at all in person activities. Seiffred also reported that the quarterly report has been sent in and successfully received by Kingdom at this time.

EXCHEQUER: Adendra reported that the Canton account currently has \$4350.50 and that all checks have cleared at this time. This includes the site fee for Manannan in 2022 which was made out to the Harleyville Community Center. She also reported that the Quarterly report was submitted.

Adendra also shared the financial policy which was now in its final draft and had been presented to the populace for review last meeting. This policy was not subject to final approval and was discussed during this portion of the meeting.

Alisoun provided some corrections to the policy, this includes grammatical updates. A suggestion to change were as follows:

Section 1: Composition of Financial Committee

Striking the words "at least"

Section 4: Timeframes And Methods For Action Approval Under Normal Circumstances

Adding the option for Virtual communications like Zoom to be used for meetings and not exclusively in person.

Based on these proposed changes, a motion to approval the policy with the additional changes was made and unanimously approved. The policy will be sent to the Kingdom

Exchequer for final approval and then published to the canton.

HERALD: Herald was not present, but Adendra reported in his stead that there were no new updates.

MARSHAL: Henrich reported no news on his side of things. There was a newcomer that reached out to the fighters and is interested in starting heavy fighting, but activity has been low at this time.

MINISTER OF ARTS AND SCIENCES: This office remains vacant.

MINISTER OF THE LISTS: William did not attend, he did provide a report to the Seneschal indicating that he was planning on attending some upcoming events and would be completing his MoL training now that activities have resumed.

WEB MINISTER: The office of the Web Minister remains vacant.

CHATELAINE: There was one volunteer to take on the office of Chatelaine. Ysabeau De Horres sent her notice to the Seneschal indicating her interest in the position and though she could not attend this specific meeting this information was relayed by Seiffrid.

Furthermore, Detlev had hosted the first Hospitality Hall since its last activity over a month ago. Seiffrid indicated he had spoken with him concerning also taken on Chatelaine at one point, however Detlev indicated that due to work he would not be capable of taking on that responsibility, but would happily be the Deputy Chatelaine.

Alisoun proposed making Ysabeau the Chatelaine and Detlev her deputy, which was seconded and unanimously agreed to by those present. Thus returning the Shore age old tradition of voting in officers while in absentia.

— OLD BUSINESS —

MANANNAN MAC LIR 2022: Adendra reported that the contract was signed and approved for Manannan, and the check already cleared the bank. Alisoun reminded the group that based on the existing and future Shore Financial Policy, a budget needed to be approved by November, and we were quickly closing in on the date.

A motion was then made and carried unanimously to swap out Roibeard for Adendra as Autocrat, as she already had an existing budget set up from last time, which took place

at the same location. This would allow for an easy adjustment of the budget. A slight increase was proposed to the former budget's food allowance to compensate for rising prices in cost. This was proposed as a 20% increase and after hearing the numbers of the former budget it was estimated that the cost would be about \$750.00 for the new budget.

Seiffrid motioned to approve a \$750.00 budget with the stipulation that the Autocrat present a finalized detailed budget which could then be further approved by the financial committee. This motion was unanimously carried and approved.

TAPESTRY UPDATE: Jorunn was not present for the update of the tapestry, however based on last updates it was still in progress and its presentation was postponed coinciding with the next Baronial Birthday Event, where it was originally planned to be presented.

WARRIORS' GAMES 2022: We still need an Autocrat for this event, and we need to secure the site by January. Those interested should contact Seiffrid.

OTHER EVENTS WANTED: Proposals were made within the last year of hosting a third event, we are still looking for someone to place bids on an event they'd like to plan. If interested, contact Seiffrid.
